Dear Kathy:

I'd like to congratulate you on the fine job you did for us at our awards banquet on October 20th. We had an excellent time. I hope that we can continue doing business with you in the future. We have already scheduled the date for next year's banquet. Thanks for a great job.

Dear Steve:

Just a note to let you know we thoroughly enjoyed having Wes perform for us again this year! He is really a professional! I am planning on having a DJ again the following year. You can be sure I will call you!

Thanks to you and to Wes for making our party a success again this year!

Gentlemen:

Mark did a wonderful job! His timing and his rapport with the guests were excellent. His choice of music was superb. He kept the party moving and used a variety of musical styles presented at just the right pace to please everyone.

With my responsibility to help provide the possible party for the bride and groom and guests, I had the opportunity to work closely with Mark and found him to be very responsive. He listened carefully to our desires and when we asked, made excellent suggestions based on experience; he is a true professional!

Thank you for the contribution Dance Tracks made to a memorable evening.

Dance Tracks:

Thank you so much for joining with us to make this a special day for Mike and Suzie and the whole family. It has been just great working with you as part of our celebration. I've got my dancing shoes ready to go!

Dance Tracks:

Wow!!! I don't know how else to say it. We were totally impressed with our DJ at our wedding reception. Jeff was accommodating, receptive, thorough and credible. The dance floor was packed all night long, and no one wanted to see the evening end. Since the wedding, we've had a number of people tell us how smoothly the reception ran or how it was the best reception they have been to EVER, or in a very long time. We know that we wouldn't have received these compliments if it weren't for Dance Tracks.

Laura and Jerry Moyers

Dear Steve:

Thanks for helping make our reception so much fun. You are very professional and I won't hesitate to recommend you.

Thanks again!

Dearest Steve:

Thank you so much for making our reception a BLAST! You did such a wonderful job. Everyone said what a wonderful DJ you are and how much fun they had with you. You kept the guests jumpin'! I would recommend you to anyone who asks me if I know of a DJ. We couldn't have done it without the WONDERFUL job you did!

Dear Cathy and Dance Tracks:

Thank you very much for a job well done. You were wonderful! Our reception (so we've heard) was a lot of fun and Dance Tracks received many compliments. Thanks again for everything you've done to make our wedding day special.

Sincerely,
Mike and Angie Horjus

Cathy and Steve:

Thank you for the great job Fred did at our reception. The DJ was the only thing that went off without a hitch throughout the entire wedding. Fred was fun loving and professionals at the same time. He kept all out guests involved and a made a point to clear questionable requests with us. Please make sure he receives these (West Michigan Whitecaps) tickets as a small thank you from us.
